We offer flexible payment options for all commercial insurance clients including pay in full, easy monthly payments, and credit cards.

Brokers, MGAs, and Carriers can partner with us to expand their offering to provide more value, choice, and convenience for all their clients. Select partners may also choose to manage their own finance portfolio or obtain a business loan to facilitate growth.

The combined strength of our dedicated team, evolved offering, and innovative platform, positions our industry partners to meet the demanding future of the Canadian Insurance landscape armed with market-leading solutions for success.
