

TOP FIVE BENEFITS OF PREMIUM FINANCING FOR YOUR BROKERAGE

LEARN WHY WE HAVE MORE TO OFFER

Put the benefits of premium financing to work for your brokerage.

FIRST enables you to offer *more* to your commercial clients with a full suite of easy finance solutions.

Call us today to learn more.

1 Reduce your receivables management

- Reduce administration and costs
- We manage contract processing, payment collection and debt recovery
- Minimize your time on risk
- Forget working those “over 30 days” lists

2 Offer funding with confidence

- “No questions asked” financing with pre-approved terms
- Superior Service - an account manager dedicated to your brokerage
- Quick turn-around time so you can complete the transaction quickly
- Leverage our financial expertise to your advantage

3 Enhance your broker value proposition

- Offer a more complete insurance solution with “easy payment” policies
- Expand your service offering - leverage our professional financial services for your clients
- Offer more flexible payment solutions to suit your clients’ needs
- Protect your client relationship by outsourcing payment follow ups to us

4 Fast-track your revenue

- Earn your commission upfront
- No need to wait for earned premiums
- Lump sum commission payments
- Improve your cash flow

5 Discover the FIRST difference

- More flexibility than in-house finance or direct bill
- More choice – customize payment terms and withdrawal dates
- We develop solutions to avoid policy cancellation
- Effortless renewals with continuous pay plans

MORE THAN PREMIUM FUNDING
